ii. Executive Summary

[24 CFR Part 903.7 9 (r)]

At PHA option, provide a brief overview of the information in the Annual Plan

This Section is left blank since it is optional.

1. Summary of Policy or Program Changes for the Upcoming Year

In this section, briefly describe changes in policies or programs discussed in last year's PHA Plan that are not covered in other sections of this Update.

We have made numerous changes to our policies and/or programs based on changes in statutes and/or HUD regulations that have occurred in the past year. HUD mandated all of these.

- Updated our public housing Admissions and Continued Occupancy Policy
- Updated our public housing Dwelling Lease
- Adopted a pet policy governing ownership of pets in our family units
- The Department of Veteran Affairs and Housing and Urban Development, and Independent Agencies Appropriations Act, 2002, at Section 432, provides that: "None of the funds made available by this Act may be used to implement or enforce the requirement relating to community service, except with respect to any resident of a public housing project funded with any amount provided under section 24 of the United States Housing Act of 1937, as amended, or any predecessor program for the revitalization of severely distressed public housing (HOPEVI).

Under this provision, Housing Authorities are precluded from implementing or enforcing community service requirements using FY 2002 funds. HUD further permits Housing Authorities to immediately suspend enforcement of the requirements.

The Carroll County Housing Authority exercised the option to immediately suspend the implementation and enforcement of the community service requirements effective April 1, 2002 through the end of our Fiscal Year March 31, 2003. All residents have been notified of the suspension of the requirements.

In addition, we have made the following significant discretionary changes:

4. The Consolidated Plan of the jurisdiction supports the PHA Plan with the following actions and commitments: (describe below)

The State Consolidated Plan Action Plan for the Program Year identifies the following State

Priorities:

A. Affordable Housing

-

The provision of affordable housing for low and very low-income households in the State is a major priority. Specific actions required to address the affordable housing need include the preservation and rehabilitation of existing housing stock and homebuyer assistance as well as other actions.

B. Supportive Housing for the Homeless

The provision of supportive housing is a priority in the State's Consolidated Plan. In addition to programs to address supportive housing for the homeless, the State will address programs to meet the needs of the population at risk of being homeless.

C. Supportive Housing for Persons With Special Needs

The State has identified an increasing need for programs for the elderly and persons with disabilities and for housing that is integrated in and typical of local communities. This priority includes addressing the needs for persons with alcohol and substance abuse problems and the need for drug-free affordable housing.

The Action Plan addresses the following activities will be maintained by the State regarding Public Housing Resident Initiatives:

- Resource Guide updates on PHA homeownership programs.
- NOFA distribution to statewide housing organizations and advocacy groups on federal and state-funded resident management and homeownership programs, as is available.
- Limited application review via the Consolidated Plan Certification of Consistency process for applicable programs.
- Participation of interested groups, including PHA tenant representatives, on the OHCS Advisory Committee.

The Action Plan addresses the need for changes to be made by the State with regard to welfare reform and housing. The State is joining forces with other State agencies, nonprofit organizations and PHAs to address the needs of low income residents moving from welfare to work.

C. Criteria for Substantial Deviation and Significant Amendments

1. Amendment and Deviation Definitions

24 CFR Part 903.7(r)

PHAs are required to define and adopt their own standards of substantial deviation from the 5-year Plan and Significant Amendment to the Annual Plan. The definition of significant amendment is important because it defines when the PHA will subject a change to the policies or activities described in the Annual Plan to full public hearing and HUD review before implementation.

A. Substantial Deviation from the 5-year Plan:

A substantial deviation from the 5-year Plan occurs when the Board of Commissioners decides that it wants to change the mission statement, goals or objectives of the 5-year plan.

B. Significant Amendment or Modification to the Annual Plan:

Significant amendments or modifications to the Annual Plan are defined as discretionary changes in the plans or policies of the housing authority that fundamentally change the plans of the agency and which require formal approval of the Board of Commissioners.

Carroll County Housing Authority

Fiscal Year 2002 Agency Plan

Voluntary Conversion of Developments from Public Housing Stock; Required Initial Assessments

In accordance with HUD Regulations published in the Federal Register on June 22, 2001, all public housing developments must be assessed unless they meet certain exemptions.

The Housing Authority owns and operates two public housing developments. The developments are designed for general occupancy.

As stated in Notice PIH 2001-26, beginning with Fiscal Year 2002, all PHAs must address the following questions:

a. How many of the PHA's developments are subject to the Required Initial Assessments?

One: IL081-2: Carroll Apartments, a 24 unit general occupancy development designated for occupancy by families.

b. How many of the PHA's developments are not subject to the Required Initial Assessments based on exemptions (e.g., elderly and/or disabled developments not general occupancy projects)?

Two: IL081-1, Mest Manor, a 49 unit development designated for occupancy by the elderly and/or persons with disabilities; and IL081-2, Maple Lane, a 16 unit development designated for occupancy by the elderly and/or persons with disabilities.

c. How many Assessments were conducted for the PHA's covered developments?

One initial assessment was conducted. See below.

d. Identify PHA developments that may be appropriate for conversion based on the Required Initial Assessments.
